# Plan Descriptions

## Email Lite

For lean teams that need a professional communication edge. Start building credibility with custom email addresses and secure inboxes.

## Email Pro

Perfect for growing teams needing more storage and more users, with the same seamless communication tools.

## Business Lite

Take your first digital steps with a basic ERP system and a stunning 5-page business website. Great for small businesses.

## Business Standard

A full-fledged business solution offering storage, ERP, and advanced web presence. Ideal for scaling SMEs.

## Business Pro

The all-in-one powerhouse. With high-capacity email, robust ERP with integration, mobile app development, and premium web design.

# Optional Add-ons (Available with any plan)

-  Custom Domain Registration & Hosting
-  SEO Optimization
-  Digital Marketing Strategy & Execution
-  Advanced Cybersecurity & Data Backup
-  E-commerce Integration
-  Google Workspace or Microsoft 365 integration

## Why Choose Gamma Digital Solutions?

-  **Scalability**  
Start small, grow fast.
-  **Security**  
Encrypted email and data hosting.
-  **Flexibility**  
Choose monthly or yearly, no lock-ins.
